

Terms & Conditions of sale

CATALOGUE DESCRIPTIONS

As much care as is practicably possible is given to descriptions. Such a task is subjective, as are terms A1/ excellent. This, to the best of our knowledge, has no obvious major flaws, & if minor ones, are such they would not keep the object from being generally considered in Show condition considering age/ rarity.

IN SHORT

Many items are of an age/ nature precluding their being in pristine condition. Some catalogue descriptions may make reference to damage/ & or restoration. **Omission of such does not imply a lot is free from defects, nor does any reference to a particular defect imply the absence of others.**

IMPORTANT:

No statement in this catalogue shall be deemed a warranty, representation or assumption of liability in respect of date, condition, size, quality, importance or provenance. The ultimate judge, and therefore onus, is with the buyer.

BIDDING

The highest bidder is deemed the purchaser. Advances on each lot determined by the Auctioneer.

POSTAL BIDDING

Performed on behalf of absent buyers trying to buy items as cheaply as possible directly competing with other bids. No charge for this service.

POSTAL BID SHEETS

In the case of tied bids the first to arrive will secure. This can result in bidding the same price as someone else but **NOT** securing. It is in your best interest to return forms soon as possible.

If you tel or fax bids through you **MUST ALSO** post off the bidding form, **even though it may arrive after the sale.**

ESTIMATES

Estimates are given purely as a guide. We attempt to take into account condition, rarity, & current market interests. Particular rarities, highly desirable, or unusual items can, and often do, exceed estimates.

TELEPHONE BIDDING

ONLY telephone bids which will START at £100+ will be accepted. If the estimate is below we would

STILL EXPECT anyone requiring to bid this way to START no less than £100. This is due purely to the complications of staffing this facility..

RESERVES

'NR' indicates lots **without reserve**. Other lots may carry reserves but this is not always the case.

PAYMENT

Tel/ postal/ fax & floor bids are a strictly legally binding contract. Purchases must be paid for before taken away. All cheques to BBR Auctions. **Overdue accounts charged 2% after 21 days.**

CREDIT CARD PAYMENTS

BBR accepts: **Visa, MasterCard, Visa Delta and Switch**. Renegotiated bank charges are now just a 3% levy for this service.

It is now necessary to complete your credit card information on the postal bidding sheet - inc. EXPIRY DATE & ISSUE No. & issue date for a Switch card.

POSTAGE

Postal purchasers **MUST** advise how they wish items sending. Full p & p costs borne by purchaser. Following the sale we pack, weigh, then invoice for total amount, including p & p.

POSTAL BUYERS

Packing & weighing can take one working week+ to complete. **Please remain patient.**

PACKING

We try to keep costs down, calculating packing time, plus materials used. We have considerable experience in coping with all manner of shapes, sizes, and fragility, but they may require special boxes! Bulky or heavy items we suggest carriers rather than Parcel Force. If you have a preferential carrier **please advise when forwarding bids.**

INSURANCE

BBR can insure goods in transit **IF REQUESTED.**

UK PO rates: 75p up to £150 goods value, £1.35 up to £500 value.

NOT done unless specifically requested **at time of bidding. You should familiarise yourself with the P.O. terms & conditions of insurance.**

OVERSEAS PURCHASERS

before bidding by post, or at the sale, it is important to read and fully understand these terms & conditions
